# F3
Mini Tower

Redefine Your PC Aesthetic

Inheriting the classy F-Series design, the new F3 case offers a choice between elegant maple wood and modern glass, allowing your PC to fit your lifestyle and taste.

All About the Hardware Flair

The F3 accommodates micro-ATX motherboards and supports GPU lengths up to 340 mm. It can even fit high-end graphics cards to make it ideal for creating compact workstations capable of light AI computation or a killer gaming PC. The choice is yours!

340 mm Graphics Cards

* Max PSU mounting area (including cable management) is 160 mm with 120 mm fan installed beneath.
** Bottom fans are optional based on CPU acceleration.
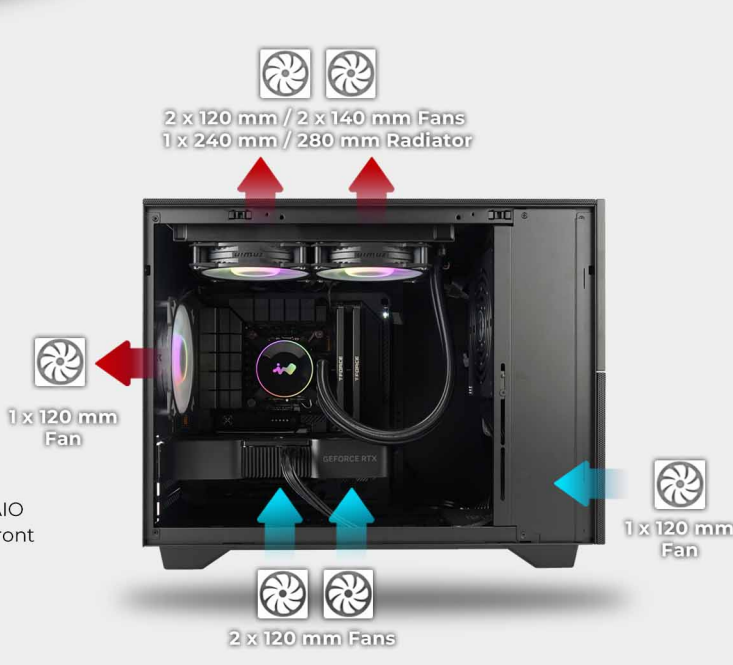

Build Small. Play Big.

This case is compatible with SFF-Ready Enthusiast GeForce cards, so you can pack high performance into a smaller footprint. Look for SFF-Ready Enthusiast GeForce Cards to get a sure fit and streamline your PC build.

GEFORCE GTX

Back-Connector M/B Design

The F3 supports back-connector motherboards provide tidier cable management and allows for easy installation of two HDDs or three SSDs.

*Supports ASUS BTF and MSI Project Zero Series back-connector mATX motherboards.

Breathe Easy

The F3 boasts exceptional ventilation by supporting up to six fans.
Two 120/140 mm fans or a 240/280 mm AIO coolers can be installed on the top. The front mesh panel allows for ample ventilation.

* AN120 x 1 for Black version
* AN120P x 1 for White version
